LETTER OF REFERENCE

TO WHOM IT MAY CONCERN

This is to certify that Mr. ALZAHRANI, KHALID IBRAHIM A was a student of mine in Umm Al-Qura University, Kingdom of Saudi Arabia from 2011 to 2014. Mr ALZAHRANI has just graduated. He was a dedicated learner and committed student of English. He showed high levels of motivation and academic maturity during his coursework and the exposés he delivered during my lectures and seminars. He is very well-mannered. He has exceptional human qualities with excellent communication skills.

I recommend Mr ALZAHRANI to any kind of academic/research program and I am quite certain that he will be able to cope with the exigencies and challenges that such program requires.

Thank you very much for your consideration.
